Beauty is a vast and ever-evolving industry that

produces innovative products and treatments to superficially enhance an individual. However, the spirit and heart of beauty is not something one can find on a drugstore shelf or cosmetic counter. The creative and inspirational women who've contributed to the progress of this industry exhibit a passion and spirit that can be defined as the true essence of beauty. Much like those in beauty, inspirational women are rewriting the recipe of success, leadership and personal revival. We've rounded up four inspirational [books](#) that highlight exceptional women who've fearlessly chased their goals and used their unique talents to achieve greatness in their respective fields.

## Pretty Powerful

*Pretty Powerful*

Bobbi Brown with Sara Bliss

An internationally recognized and celebrated professional makeup artist, Bobbi Brown has penned many titles which demonstrate the art of beauty. This amazingly successful artist returns with *Pretty Powerful*, a beauty how-to from a very different perspective. While cosmetics allow us to dress our face and display our creativity, Bobbi digs deeper in this book and highlights the true aspect of beauty, a beauty that begins and radiates from within. Throughout the book you will find inspirational beauty stories that'll kick start confidence in yourself and of course, how to immaculately highlight your unique features with fabulous makeup techniques

## Visionary Women

### *Visionary Women*

Angella Nazarian

Not only is she a best-selling author, noted speaker and professor of psychology (Mount Saint Mary's College, CSU Long Beach, Los Angeles Valley College), Angella Nazarian is the co-founder and president of Visionary Women, a nonprofit women's leadership organization in Los Angeles. Following her wildly successful book, *Pioneers of Possible* (2012), Angella is back with an exceptional sequel, *Visionary Women*. The book chronicles the outstanding achievements and innovative contributions of twenty remarkable women. Madam C.J. Walker, Amelia Earhart and Maya Angelou are just a few of the

exceptional women highlighted in *Visionary Women*. From the arts, to science, politics, media and so much more, this compilation of excellence is sure to inspire you in more ways than one.

*Later today (Sept. 17th), Angella will moderate a discussion in New York City (to be conducted at [FIAF](#)) which will highlight solutions to accelerate women's economic growth and is to be lead by Rosario Perez (former President and CEO ProMujer) and the co-founders of Seneca Women, Ambassador Melanne Vermeer and Kim Azzarelli. Next October (14-16th), Angella is set to attend the 11th edition of the Women's forum For the Economy & Society (to be held in Deauville, France), an annual conference that will feature 1,200 leaders from more than 80 countries. Additionally, she will attend the first edition of the Women's Forum Mexico in Spring 2016.*
